

Accounting and Financial Reporting for COVID-19, the CARES Act and PPP Loans – *Long Version*

Course Description

The objective of this course is to review the accounting and financial reporting impacts of the economic crisis created by the coronavirus (COVID-19), and the changes made by the 2020 CARES Act including accounting for Paycheck Protection Program (PPP) loans and forgiveness.

Topics include: Disclosures of risks and uncertainties; going-concern reporting and disclosure issues; impairment issues related to goodwill and other long-lived assets; accounting for variable consideration revenue and onerous contracts; dealing with inventory costs and stock market investment losses; collectability of trade receivables; exit and termination benefit obligations; contingencies, and accounting and auditing engagement matters. With respect to the CARES Act, the course discusses the accounting for PPP loans and forgiveness, accounting for tax changes made by the CARES Act, and more.

Completion Deadline & Exam: This course, including the examination, must be completed within one year of the date of purchase.

Course Level: Overview. This program is appropriate for professionals at all organizational levels.

CPE Credits: 4 (CPA)

Category: Accounting (2 CPE) and Auditing (2 CPE)

Prerequisite: General understanding of accounting, financial reporting, auditing and compilation and review standards.

Advanced Preparation: None
