

Skills and Attributes of Successful CFOs

Course Description

The complexities of financial regulations and accounting pronouncements and the impact of global competition present businesses and executives with a demanding environment. Along with the necessary technical financial experience that a Chief Financial Officer (CFO) must possess, many other skills and attributes are required to address the challenges of the role. This course will discuss many key skills and attributes that contribute to the success of CFOs.

Completion Deadline & Exam: This course, including the examination, must be completed within one year of the date of purchase. In addition, unless otherwise indicated, no correct or incorrect feedback for any exam question will be provided.

Course Level: Overview. This program is appropriate for professionals at all organizational levels.

CPE Credits: 1.5 (CPA)

Category: Personal Development

Prerequisite: None

Advanced Preparation: None

Course Objectives

Upon completion of this course, you should:

1. Understand the importance of leadership and the positive actions that exhibit leadership.
2. Assess your personal and organizational integrity.
3. Recognize other skills in addition to financial reporting expertise that contribute to success.
4. Consider and take steps to improve self-confidence.
5. Understand the significance of emotional intelligence and its impact on business success.
